| Short Description | | | | | |
| <p>API VARESE, the Association of Small Medium Enterprises located in Varese area, was established in 1947. API VARESE is:</p> <ul style="list-style-type: none"> • Representational and institutional body whose primary scope is to defend the interests of small and medium entrepreneurs as well as to promote the qualification of the local area; • Service and consulting company for the associated enterprises. <p>The Association aims at safeguarding the distinguish features and the general interests of SMEs category by developing effective representation at a political and economic level as well as in the relations with the trade unions and institutions. The Association enrolls 950 companies employing about 19,000 people. The enrolled companies of API VARESE belong to the most important production sectors in which Italy has a world wide leadership. The services usually offered to associated companies focus mainly on relations with trade union, economic-financing, training, support to international trade and markets, innovation, quality and certification, environment and ecology. In order to better assist the associated enterprises API VARESE has set-up its own consulting company, APISERVIZI VARESE srl (ApiServizi), with the overall aim to provide companies with technical, commercial, administrative, financial and management services.</p> <p>In particular ApiServizi supports MEs in the submission and developing of EU-proposals successfully and is experienced in partner searches for transnational co-operations.</p> | | | | | |
